

Celebrating 21 Years

Formark Scaffolding is a highly respected independent scaffolding contractor committed to exceeding the highest health, safety and training standards set by the industry.

We have been established for 21-years and have an enviable reputation for the quality of our

work and for consistently providing innovative, tailor made scaffolding services for renovation, repair and new build projects.

Trusted by many of the UK's leading construction and restoration companies to provide practical designs, a fast and efficient erection and dismantling service and full site

support, we work hard to achieve high rates of customer satisfaction.

Formark Scaffolding has an impeccable safety record and to keep it this way we ensure that all our scaffolders are C.I.T.B. and C.I.S.R.S. certified and that there is a commitment to health and safety throughout the company.

HEALTH & SAFETY

Safety is paramount to Formark Scaffolding and in order to create the safest possible working environment and to meet customer's expectations we are committed to:

Independent assessments by health and safety consultants Hamilton Deed

Independent accreditation by CHAS, the Contractors Health and Safety Assessment Scheme.
